

NO FAMILY DOCTOR? NO ACCESS TO PEDIATRIC CARE?

WellFort's new healthcare program for children 0-5 years, provides improved access to non-emergency care, well-baby, and well-child services for children without a dedicated primary healthcare provider.

OUR SERVICES:

- ✓ Immunizations
- ✓ Routine well-baby and well-child checkups
- ✓ Non-emergency care
- ✓ Nutrition Support
- ✓ Same-day access
- ✓ Cough and cold
